Happy Birthday Kirby!

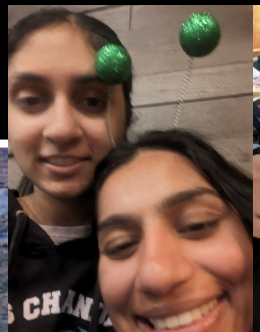
Dear Keerthi,

Happy birthday!

Have the bestest day ever! You deserve a TON of rest, and u better get it :) That being said, it's been a really fun (over) 1 year knowing you, going to 2 Halloween carnivals, the botanical gardens, and just running into each other in the library!

What's yours is always mine,

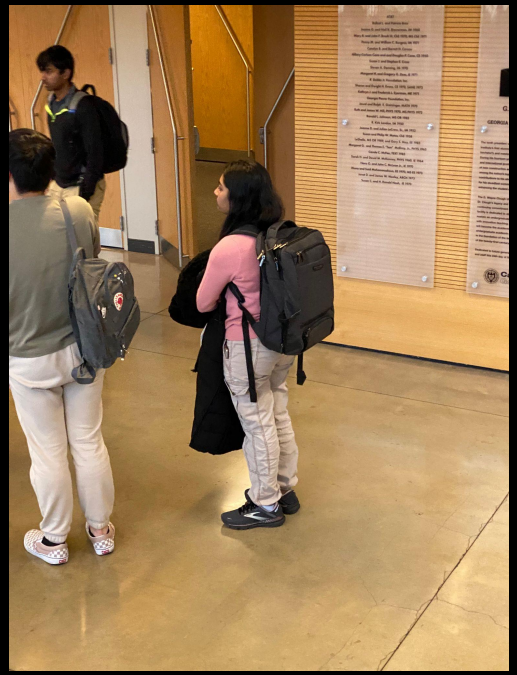
Nandini



Hiii Keerthiiii!

Thanks for being a friend that genuinely cares, even when I was at my lowest. I really appreciate you.

And thanks for being an easy snipe :)



Dear Kirby

HAPPY BIRTHDAY KIRBY, ACTUALLY THIS TIME. Can't believe you're a year older, doesn't add up (heightwise lol). I'm so happy to have a friend like you, who's so caring and adventurous while being so talented. Got to make some amazing memories last year, and hopefully our bento runs make this year fun too. YAYYYY.
